Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Goals and Objectives

Faculty Council, School Improvement Council, PTA, and students worked together to establish a clear direction for the 2013-2014 school year. Using the Greenville County Schools Education Plan as a framework, as well as the school’s own Strategic Plan, Oakview set goals for improvement. Goal areas included, among others, increasing the number of students scoring Exemplary or Met on PASS Math, ELA, Science, and Social Studies.

Accomplishments for 2013-2014

Students continue to maintain high levels of achievement as measured by test scores. Data from curriculum based assessments were used to evaluate progress at all grades throughout the year. Kindergarten through fifth grade students were assessed using a variety of instruments including AIMSWEB, ITBS, CogAT, MAP, SCPASS, and/or the Fountas & Pinnell reading inventory. Data from the reading inventory were used to develop leveled reading groups. SCPASS results rank Oakview in the top 25 (out of 653 elementary schools in the state) in ELA, Math, Science, and Social Studies and in the top 10 in the state for Writing! In recognition of this continued high achievement, the school received its thirteenth consecutive Palmetto Gold Award! The school received a grade of “A” on federal accountability measures and a rating of Excellent for general performance on the SC School Report Card. Teachers received over \$4,000 in grants to carry out innovative instructional strategies in their classrooms. With financial support from PTA, the school expanded the width of its walking track to 15 feet and added new bleachers and a backstop to the ball field. At Thanksgiving, the school celebrated Grandparents Day with over 800 attendees and in the spring, students spent a day exploring and excavating as part of another successful Fossil Fun Day! Oakview received its ninth consecutive Safe Schools Award and earned its second LiveWell Greenville Healthy School award! PTA and community members logged tens of thousands of volunteer hours to support school programs. PTA brought home numerous state awards such as Excellence in Family and Community Involvement, Excellence in Enrichment Programs, Outstanding Service by a Local Unit, and a Platinum Level- Oak Leaf Award in recognition of annual goal attainment in its programs.

Plans for the Future

In 2014-2015, the school faculty will participate in year two of balanced literacy training and will continue implementing new state standards. In addition, Oakview will host Culture Fest, a triennial event at the school. With an established Strategic Plan, the school will continue to focus on goals for improved student performance, while at the same time, teaching the “whole child.” Together, we anticipate success as we fulfill Oakview’s mission!

Principal, Dr. Phillip Reavis and SIC Chair, Mr. Dave Gorman
